- ☐ None
☐ One
☐ Two or more

19. Misdemeanor escape offense

- ☐ None
☐ One or more

Alcohol Offenses**20. Alcohol Offense - misdemeanor and felony**

- ☐ None
☐ One or more

Correctional Events**21. Time since last Conviction**

- ☐ No prior conviction
☐ More than 3 years
☐ More than 18 months to 3 years
☐ More than 6 months to 18 months
☐ 0 months to 6 months

22. Security Threat Group

- ☐ No/Unknown
☐ Yes

23. Annual Prison Visitations

- ☐ Not returning from prison
☐ Just entered prison (If offender has been in prison less than 6 months)
☐ Six or more
☐ One to Five
☐ None

24. Number of prison infractions during current incarceration

- ☐ None
☐ One to Two
☐ Three to Six
☐ Seven or more
☐ Never Incarcerated

25. Number of serious/violent prison infractions during current incarceration

- ☐ Never Incarcerated
- ☐ None
- ☐ One or Two
- ☐ Three or more

26. Completed Offender Change Programming in Prison

- ☐ Never Incarcerated
- ☐ Current Incarceration - Completed
- ☐ Current Incarceration - Incomplete
- ☐ Previous Incarceration - Completed
- ☐ Previous Incarceration - Incomplete
- ☐ Never participated

Completed Offender Change Programs**27. Participated in Vocational Programming in Prison**

- ☐ Never Incarcerated
- ☐ Current Incarceration - Completed
- ☐ Current Incarceration - Incomplete
- ☐ Previous incarceration - Completed
- ☐ Previous Incarceration - Incomplete
- ☐ Never participated

Completed Vocational Programs**28. Completed Offender Change programming in Community**

- ☐ No participation

Residential

30. Primary residence during the most recent 6 months in the community

- ☐ Rent/own residence as primary occupant most recent 6 months in the community
- ☐ Family residence most recent 6 months in the community
- ☐ Group home/Transitional housing most recent 6 months in the community
- ☐ Housing Voucher most recent 6 months in the community
- ☐ Friend's residence most recent 6 months in the community
- ☐ Residential treatment most recent 6 months in the community
- ☐ Homeless - living on the street or in shelter most recent 6 months in the community
- ☐ Transient - from residence to residence most recent 6 months in the community

31. Occupants of current residence at time of assessment or reassessment or immediately prior to incarceration

- ☐ No current residence
- ☐ Living alone
- ☐ Living with spouse
- ☐ Living with other relatives
- ☐ Living with minor children
- ☐ Living with adult children
- ☐ Living with friends with positive influence
- ☐ Living with friends with anti-social influence
- ☐ Other

Mother, Father, Grandparent(s), Other

32. Residence at the time of the most recent offense

- ☐ Rent/own residence at time of most recent offense
- ☐ Family residence at time of most recent offense
- ☐ Group home/Transitional housing at time of most recent offense
- ☐ Housing Voucher at time of most recent offense
- ☐ Friend's residence at time of most recent offense
- ☐ Residential treatment at time of most recent offense
- ☐ Homeless - living on the street or in shelter at time of most recent offense
- ☐ Transient - from residence to residence at time of most recent offense
- ☐ In Prison / Jail at time of most recent offense

- ☐ Neighborhood: No barriers, strong pro-social support
- ☐ Neighborhood: Remote living, isolated area
- ☐ Neighborhood: Some exposure to anti-social influence, lacks ties
- ☐ Transient/Neighborhood has significant barriers, frequent anti-social activity

34. Does offender have a release address?

- ☐ Offender in Community
- ☐ Offender more than 12 months to ERD
- ☐ Offender 12 months or less to ERD and does not have a release address
- ☐ Offender 12 months or less to ERD and does have a release address

Describe how risk factors in domain relate to criminal behavior.

If factors from this domain mitigate criminal behavior, indicate how and select: Protective

Education/Vocational

37. Highest grade level ever completed, at time of assessment or reassessment (Select highest achieved)

- ☐ Highest achieved: Graduate Studies
- ☐ Highest achieved: Vocational Certificate
- ☐ Highest achieved: College Graduate - 4 year degree
- ☐ Highest achieved: College Graduate - 2 year degree
- ☐ Highest achieved: Some College
- ☐ Highest achieved: GED/High School Equivalency (HSE)
- ☐ Highest achieved: High School Diploma
- ☐ Highest achieved: 11th Grade or Less

38. Reason offender stopped going to school

- ☐ Never quit/never expelled
- ☐ Quit
- ☐ Satisfied with level of schooling
- ☐ Left school due to financial reasons
- ☐ Left school due to legal problem
- ☐ Left school due to social influences
- ☐ Expelled

39. Communication barrier/ interpreter required at time of assessment or reassessment?

- ☐ No communication barrier
- ☐ Primary language
- ☐ Does not speak English

- ☐ Does not read English
- ☐ Does not write English
- ☐ Unable to communicate in English; Interpreter required

40. Is offender hearing impaired?

- ☐ Not Hearing Impaired
- ☐ Hearing Impaired
- ☐ American Sign Language Interpreter required
- ☐ Hearing Impaired equipment required

41. Offender's motivation for more academic or vocational education at time of assessment or reassessment

- ☐ Participating or has High School Diploma/GED/High School Equivalency (HSE)
- ☐ Little to no desire to continue schooling
- ☐ Legal mandate to participate in school but not participating
- ☐ No desire to participate

Describe how risk factors in domain relate to criminal behavior.

If factors from this domain mitigate criminal behavior, indicate how and select: Protective

Employment**42. Current employment at time of assessment or reassessment in the community or immediately prior to incarceration**

- ☐ Full-time employment
- ☐ Part-time employment
- ☐ Retired
- ☐ Permanently disabled/ unable to work
- ☐ Homemaker
- ☐ Temporarily disabled/ unable to work
- ☐ Unemployed/able to work

43. Current employment if in prison:

- ☐ Not incarcerated
- ☐ Class II Employment
- ☐ Class III Employment
- ☐ Class IV Employment
- ☐ Volunteer work
- ☐ Not working, able to work
- ☐ Not working, unable to work
- ☐ Class I Industries

44. Employment relationships in prior 6 months in the community

- ☐ Employment relationships in prior 6 months in the community: Not employed
- ☐ Employment relationships in prior 6 months in the community: No Supervisor or Self- Employed/Minimal contact
- ☐ Employment relationships in prior 6 months in the community: Primarily Pro-social influences
- ☐ Employment relationships in prior 6 months in the community: Both Pro-social and negative influences
- ☐ Employment relationships in prior 6 months in the community: Primarily Negative influences

45. Longest period of continuous legal employment in the community since age 18

- ☐ Never employed
- ☐ Longest period of continuous employment: More than 3 years
- ☐ Longest period of continuous employment: More than 1 year up to 3 years
- ☐ Longest period of continuous employment: 6 months to 1 year
- ☐ Longest period of continuous employment: Less than 6 months

46. Problems while employed since age 18

- ☐ Never employed
- ☐ No problems while employed
- ☐ Fired or Quit: Poor performance/poor attendance
- ☐ Fired or Quit: Interpersonal problems with employer or co-workers
- ☐ Fired or Quit: Anti-social/ criminal behavior on the job
- ☐ Fired or Quit: Problems unrelated to employment

47. Marketability/skills at time of assessment or reassessment

- ☐ Currently employed in the community sufficient income to meet financial needs
- ☐ Currently employed in the community, insufficient income to meet financial needs
- ☐ Not currently employed, living in the community
- ☐ Currently incarcerated
- ☐ Marketable skills likely to result in successful job
- ☐ Specific skills/occupation/certification
- ☐ General labor skills/poorly qualified for living wage
- ☐ No occupational or vocational skills
- ☐ Significant barriers to employment

Specific Skills

48. Barriers to employment at time of assessment or reassessment

- ☐ No barriers to employment
- ☐ Barriers to employment: Lacks education
- ☐ Barriers to employment: No prior employment experience
- ☐ Barriers to employment: Lacks motivation
- ☐ Barriers to employment: Developmental disabilities

- ☐ Barriers to employment: Cleanliness/hygiene
- ☐ Barriers to employment: Punctuality Issues
- ☐ Barriers to employment: Poor problem solving
- ☐ Barriers to employment: Transportation issues
- ☐ Barriers to employment: Drug use
- ☐ Barriers to employment: Poor social skills
- ☐ Barriers to employment: Poor work habits
- ☐ Barriers to employment: Lacks job search skills
- ☐ Barriers to employment: Child care issues
- ☐ Barriers to employment: Criminal conviction record
- ☐ Barriers to employment: Mental health concern
- ☐ Barriers to employment: Other

49. Primary source of income during the most recent 6 months in the community

- ☐ Offender/Household Employment
- ☐ Student loans/grants
- ☐ Temporary unemployment or Workman's Compensation
- ☐ Public assistance
- ☐ SSI due to disability
- ☐ Tribal per diem
- ☐ Pension
- ☐ Family financial support
- ☐ Family inheritance
- ☐ Income from criminal behavior
- ☐ Working under the table
- ☐ No income
- ☐ Other

50. Average monthly income (net) from legal employment and other legal source during the most recent 6 months in the community (under the table income is considered illegal)

- ☐ Monthly income: \$4,000+
- ☐ Monthly income: \$2,000-\$3,999
- ☐ Monthly income: \$1,000-\$1,999
- ☐ Monthly income: Under \$1,000
- ☐ No legal income (includes working under the table)"

51. Management of finances during the most recent 6 months in the community

- ☐ Saves money regularly
- ☐ Managing debt, meeting financial commitments
- ☐ Makes all required child support payments
- ☐ Makes some required child support payments

- ☐ Relies on public assistance
- ☐ Relies on Protective Payee
- ☐ Relies on family/others
- ☐ Cannot manage debt
- ☐ Not required to make child support payments
- ☐ No interest in managing finances
- ☐ Sells drugs only for profit
- ☐ Relies on other illegal activities
- ☐ Other

52. Health insurance at time of assessment or reassessment

- ☐ No health insurance
- ☐ Private health insurance
- ☐ Public health insurance (Welfare, Medical coupons, Medicaid, etc.)
- ☐ Veteran's health benefits
- ☐ Health insurance provided due to tribal affiliation
- ☐ Health insurance suspended due to incarceration

Describe how risk factors in domain relate to criminal behavior.

If factors from this domain mitigate criminal behavior, indicate how and select: Protective

Social Influences**53. Current marriage or equivalent relationship 'Current' refers to the last six months in the community**

- ☐ Current relationship
- ☐ No current relationship

54. Influence of partner during the most recent 6 months in the community

- ☐ Partner influence: Positive, pro-social
- ☐ Not Involved, estranged
- ☐ Partner willing to support positive behavior and intervene in negative behavior
- ☐ Partner not willing to support positive behavior and intervene in negative behavior
- ☐ Partner enables negative, anti-social behavior and is hostile toward system
- ☐ Partner enables negative, anti-social behavior

55. Problems of partner during the most recent 6 months in the community

- ☐ No partner problems
- ☐ Partner: Alcohol/Drug use
- ☐ Partner: Anti-social behavior
- ☐ Partner: Criminal convictions
- ☐ Partner: Employment/Financial problems
- ☐ Partner: Physical and/or mental health problems
- ☐ Partner: Incarcerated

56. Level of conflict with partner during the most recent 6 months in the community

- ☐ Minimal partner conflict/ Some well-managed conflict
- ☐ Not involved, estranged
- ☐ Partner: Verbal intimidation
- ☐ Partner: Threats of physical abuse
- ☐ Partner is perpetrator of DV
- ☐ Offender is perpetrator of DV

57. Influence of family member(s) most involved in the offender's life in most recent 6 months

- ☐ No current family relationship
- ☐ Family willing to intervene and support
- ☐ Family not willing to intervene and support
- ☐ Family hostile toward offender and/or system
- ☐ Enables anti-social behavior
- ☐ Negative, anti-social

58. Problems of most involved family member(s) during the most recent 6 months in the community

- ☐ No family problems
- ☐ Family: Alcohol/Drug use
- ☐ Family: Anti-social behaviors
- ☐ Family: Employment/Financial problems
- ☐ Family: Physical and/or Mental Health problems
- ☐ Family: criminal convictions
- ☐ Family Incarcerated

59. Level of conflict with family member during the most recent 6 months in the community

- ☐ No current family relationship
- ☐ Minimal family/ Some well-managed family conflict
- ☐ Family: Verbal intimidation
- ☐ Family: Threats of physical abuse
- ☐ Family member perpetrator of DV on family
- ☐ Offender perpetrator of DV on family

60. Number of children

- ☐ No children
☐ 1 child
☐ 2 or more children

61. Currently pregnant

- ☐ N/A Male
☐ Currently pregnant
☐ Not currently pregnant

62. Offender living with minor children at the time of offense

- ☐ Yes, offender living with minor children at time of offense
☐ No minor children
☐ No, offender not living with minor children at time of offense

63. Circumstances of minor child(ren) at time of assessment or reassessment

- ☐ No minor children
☐ Minor child(ren) reside with offender
☐ No restrictions with children
☐ Circumstances with children unknown
☐ Court-ordered child support
☐ No current contact with children
☐ Legal action pending regarding children
☐ Supervised visits with children
☐ Past agency involvement for minor child safety
☐ Past "no contact" or any other order prohibiting contact with minor child(ren)
☐ Minor children are victims of the offender
☐ Parental rights terminated

64. Residing with minor child(ren) or plans to establish or continue a relationship with minor child(ren)

- ☐ No minor children
☐ Residing with minor child(ren)
☐ Yes, plans to establish/continue a relationship with minor child(ren)
☐ No plan to establish/continue a relationship with minor child(ren)

65. Offender expects to have shared or full custody of minor children upon release

- ☐ No children
☐ Not incarcerated
☐ Yes, offender expects to have shared or full custody of minor children upon release
☐ No, offender does not expect to have share or full custody of minor children up release

66. Offender is now or will be the sole provider of his/her child(ren)

- ☐ No children
- ☐ Yes, currently the sole provider of minor children
- ☐ Yes, offender will be sole provider of minor children upon release from prison
- ☐ Not currently providing for minor children
- ☐ No, offender will not be sole provider of minor children upon release from prison

67. Offender involved in important decisions regarding his/her children (e.g. school-related, health, outside activities) regardless of setting

- ☐ No children
- ☐ Yes: Offender is involved in important decisions regarding minor children
- ☐ No: Offender is not involved in important decisions regarding minor children

68. Offender is a single parent

- ☐ Yes, offender is a single parent
- ☐ No, offender is not a single parent
- ☐ No children

69. Friends during the most recent 6 months in the community

- ☐ Friends willing to support pro-social behavior
- ☐ Friends with pro-social community ties
- ☐ No friends
- ☐ Unable to maintain interpersonal relationships; Unstable relationships only
- ☐ Friends involved in anti-social and/or criminal behaviors
- ☐ Associates with gang members

70. Response to influences of anti-social friends during the most recent 6 months in the community

- ☐ Influence: No anti-social friends
- ☐ Influence: Chooses not to associate with anti-social friends
- ☐ Influence: Almost always resists going along with anti-social friends
- ☐ Influence: Rarely resists going along with anti-social friends
- ☐ Influence: Never resists going along with anti-social friends
- ☐ Influence: Admires/emulates anti-social friends
- ☐ Influence: Leads anti-social friends

71. Offender's prison associates in the most recent 6 months

- ☐ Offender not currently in prison
- ☐ Prison Associates: Offender newly admitted, associates unknown
- ☐ Prison Associates: Positive, non-problematic
- ☐ Prison Associates: Offender spends the majority of time alone
- ☐ Prison Associates: Negative, problematic behavior
- ☐ Prison Associates: STG affiliates and/or Assaultive offenders

72. Challenging/Interesting hobbies/unstructured activities

- ☐ Currently participates in specific hobbies/unstructured activities
- ☐ Can identify hobby/unstructured activity of interest but is not involved
- ☐ Cannot identify any hobby/interests

73. Interest and involvement in structured activities

- ☐ Involved in one or more structured activity
- ☐ Interested but not involved in structured activities
- ☐ Not interested in any structured activity
- ☐ Primarily engages in unstructured activities
- ☐ Primarily engages in unconstructive activities, alone or with peers (bars and idle time)
- ☐ Frequently engages in anti-social activities alone or with peers (crime and drug use)

Barriers to Structured Activities:

74. Average percent of time each day spent in structured, positive activities (work, school, volunteer activities, programs, recreation, etc.)

- ☐ Avg time per day in structured activities: 0 to 39%
- ☐ Avg time per day in structured activities: 40%-70%
- ☐ Avg time per day in structured activities: 71% or more

Describe how risk factors in domain relate to criminal behavior.

If factors from this domain mitigate criminal behavior, indicate how and select: Protective

Substance Abuse**75. Age of first alcohol or drug use**

- ☐ Never used alcohol or drugs
- ☐ Age 17 or greater, used alcohol or drugs
- ☐ Age 14 to 16, used alcohol or drugs
- ☐ Age less than 14, used alcohol or drugs

76. Alcohol or Drug use problem

- ☐ No Alcohol/Drug problem
- ☐ Has experienced an alcohol use problem during offender's lifetime
- ☐ Has experienced an alcohol use problem during last six months in community
- ☐ Has experienced a drug use problem during offender's lifetime
- ☐ Has experienced a drug use problem during the last six months in the community

77. Type of Drug Problem☐ Never had a drug/alcohol problem☐ Alcohol problem in past

Use At Least Weekly

☐ Yes☐ No☐ Alcohol problem in last 6 months☐ Methamphetamine problem in past

Use At Least Weekly

☐ Yes☐ No☐ Methamphetamine problem in last 6 months☐ Cocaine/crack problem in past

Use At Least Weekly

☐ Yes☐ No☐ Cocaine/crack problem in last 6 months☐ Heroin problem in past

Use At Least Weekly

☐ Yes☐ No☐ Heroin problem in last 6 months☐ Prescription drugs problem in past

Use At Least Weekly

☐ Yes☐ No☐ Prescription drugs problem in last 6 months☐ Other drug problem

Use At Least Weekly

☐ Yes☐ No**78. Current and past impacts of alcohol/drug use problem during offender's lifetime 'Current' refers to the last six months.**☐ No alcohol or drug problem☐ Drug/alcohol use contributed to past family conflict☐ Drug/alcohol use contributed to current family conflict☐ Drug/alcohol use contributed to past employment/education problems☐ Drug/alcohol use contributed to current employment/education problems☐ Drug/alcohol use contributed to past Physical problems☐ Drug/alcohol use contributed to current physical problems

- ☐ Experienced drug/alcohol withdrawal symptoms (shaking hands, throwing up, having trouble sitting still or sleeping) in past six months
- ☐ Drug/alcohol use contributed to past mental health problems
- ☐ Drug/alcohol use contributed to current mental health problems
- ☐ Drug/alcohol use contributed to past interference with keeping pro-social friends or helped retain anti-social friendships
- ☐ Drug/alcohol use contributed to current interference with keeping pro-social friends or helped retain anti-social friendships
- ☐ Drug/alcohol use contributed to fighting in the past 6 months
- ☐ Drug/alcohol use contributed to anti-social behaviors/law violations in the past
- ☐ Drug/alcohol use contributed to current anti-social behaviors/law violations
- ☐ Drug/alcohol use contributed to past IV drug use
- ☐ Drug/alcohol use contributed to current IV drug use
- ☐ Drug/alcohol use contributed to prior conviction
- ☐ Drug/alcohol use contributed to current conviction

79. Methods of supporting alcohol and/or drug use during most recent 6 months in the community

- ☐ No drug/alcohol problem
- ☐ Legal income to support drug/alcohol use
- ☐ Selling drugs to support drug/alcohol use
- ☐ Property crimes to support drug/alcohol use
- ☐ Income from other illegal/under the table employment to support drug/alcohol use
- ☐ Falsifying prescriptions to support drug/alcohol use
- ☐ Prostitution to support drug/alcohol use
- ☐ Bartering/trading/sharing to support drug/alcohol use
- ☐ Friends/family support drug/alcohol use
- ☐ Other criminal activity to support drug/alcohol use

80. Participation in alcohol/drug treatment program in offender's lifetime whether successfully completed or not. (completion not required)

- ☐ No drug/alcohol problem
- ☐ Currently participating in alcohol/drug treatment program
- ☐ Participated in one or more alcohol/drug treatment program
- ☐ Never participated in alcohol/drug treatment program, though problem indicated
- ☐ Referred for alcohol/drug treatment program, and currently waiting for an opening in program
- ☐ Referred or referral recommended for alcohol/drug treatment, but is currently unwilling to participate

81. Offender spent considerable time obtaining, using and feeling the effects of drugs/alcohol in the most recent 6 months in the community.

- ☐ No Drug/Alcohol problem
- ☐ Yes, spent a lot of time obtaining, using and/or feeling the effects of drugs or alcohol
- ☐ No, did not spend a lot of time obtaining, using and/or feeling the effects of drugs or alcohol

82. Strategies that helped the offender remain clean and sober for 6 months or longer in the community or

at any time in offender's life

- ☐ Clean and Sober strategies: N/A; no problem
- ☐ Clean and Sober strategies: Participation in treatment
- ☐ Clean and Sober strategies: Regular participation in self-help support groups (AA/NA)
- ☐ Clean and Sober strategies: Changed residence if barrier to abstinence existed
- ☐ Clean and Sober strategies: Family or friends intervened and encouraged abstinence
- ☐ Clean and Sober strategies: Avoided negative social influences
- ☐ Clean and Sober strategies: Other
- ☐ Clean and Sober strategies: Never clean and sober for 6 months or longer in the community

Narrative for Clean and Sober strategies: Other text field

Describe how risk factors in domain relate to criminal behavior.**If factors from this domain mitigate criminal behavior, indicate how and select: Protective****Mental Health****83. Mental health problem during offender's lifetime (schizophrenia, bi-polar, ADD/ADHD, etc.) based on file material, self-report, and official documentation**

- ☐ No mental health problem in lifetime
- ☐ Mental health problem indicated from file or offender self-report (no official documentation)
- ☐ Official mental health diagnosis documented

Diagnosis

Provider

Date of Diagnosis

- ☐ Offender Requests Mental Health Evaluation
- ☐ Assessor recommends referral for Mental Health Evaluation

Narrative for Clean and Sober Strategies: other

84. Suicidal thoughts during offender's lifetime based on file material, and/or self-report

- ☐ No history of suicidal thoughts or attempts
- ☐ Has attempted to commit suicide in the past
- ☐ Has had suicidal thoughts in the past
- ☐ Suicidal thoughts during last 6 months
- ☐ Attempted suicide during last 6 months
- ☐ Provoked others in attempt to kill self
- ☐ Suicidal thoughts are an ongoing concern

85. Hospitalizations/in-patient stays for mental health problem during offender's lifetime, regardless of setting

- ☐ No history of mental health problems
- ☐ No in-patient stays for mental health problem
- ☐ 1 in-patient stay for mental health problem
- ☐ 2 or more in-patient stays for mental health problem
- ☐ History of hospitalization after arrest

86. Mental health out-patient counseling during offender's lifetime, regardless of setting

- ☐ No mental health problem
- ☐ No history of mental health out-patient counseling
- ☐ Current out-patient mental health counseling
- ☐ Currently no out-patient mental health counseling recommended
- ☐ Past out-patient mental health counseling
- ☐ Mental health counseling currently recommended/required, not attending

87. Mental health/Medical medication prescribed during offender's lifetime, regardless of setting

- ☐ No mental health problem
- ☐ No history of prescribed mental health/medical medication
- ☐ Past mental health/medical medication prescribed
- ☐ Current mental health/medical medication being taken as ordered
- ☐ Current mental health/medical medication not being taken as ordered, non-compliance

Describe how risk factors in domain relate to criminal behavior.

If factors from this domain mitigate criminal behavior, indicate how and select: Protective

Aggression**88. Threatening, aggressive, or violent behaviors in offender's lifetime**

- ☐ No threatening, aggressive, or violent behaviors in offender's lifetime
- ☐ Threatening, aggressive, or violent behaviors in the community
- ☐ Aggression is on-going concern
- ☐ Threatening, aggressive or violent behaviors during any period of confinement

89. Description of all threatening, aggressive, or violent behaviors ever

- ☐ No aggressive behavior ever
- ☐ No threatening, aggressive, or violent behaviors within last 5 years in the community
- ☐ No aggressive behaviors in last 6 months
- ☐ Explicit threats of physical harm against specific individual(s)
- ☐ Excessive violence beyond what is required to achieve the goal
- ☐ Ritualistic, bizarre violent behaviors
- ☐ Animal cruelty
- ☐ Domestic violence against current partner
- ☐ Domestic violence against any past partner
- ☐ Domestic violence against any family member (excluding any partner)
- ☐ Violent outbursts, temper, anger
- ☐ Violent prison and/or jail infractions/misconduct
- ☐ Physical assault of adult
- ☐ Physical assault of male
- ☐ Physical assault of female
- ☐ Physical assault of authority figure
- ☐ Physical assault of child, adolescent
- ☐ Violent destruction of property
- ☐ Stalking/harassment/intimidation
- ☐ Fixated/persisting in unwanted relationship
- ☐ Random acts of violence without provocation
- ☐ Fire setting
- ☐ Details of behaviors not known and/or not disclosed by offender
- ☐ Other

90. Motivation for all threatening, aggressive, or violent behaviors in offender's lifetime

- ☐ No aggressive motivations
- ☐ Motivated by power, dominance, control
- ☐ Motivated by impulsivity, acts without thinking, lacks control or inhibitions, opportunistic
- ☐ Motivated by excitement, amusement, fun
- ☐ Motivated by lack of medication compliance
- ☐ Motivated by retaliation, vengeance
- ☐ Motivated by reaction to conflict/stress
- ☐ Motivated by drug/alcohol influenced violent behaviors

- ☐ Motivated by general hostility toward others
- ☐ Motivated by achieving a goal, including material gain
- ☐ Motivated by hostility toward women
- ☐ Motivated by peer status, acceptance, attention
- ☐ Motivated by hatred for other individuals or specific groups

91. Threatened/caused physical injury to another person with a weapon in offender's lifetime

- ☐ Never threatened anyone with weapon
- ☐ Threatened someone with weapon
- ☐ Injured someone with weapon
- ☐ Yes
- ☐ No

92. Anger/frustration/tolerance

- ☐ Uses appropriate skills to address anger/frustration
- ☐ Sometimes over reacts to small things
- ☐ Frequently reacts or has tantrums
- ☐ Often over reacts and has fits of anger/rage

Describe how risk factors in domain relate to criminal behavior.

If factors from this domain mitigate criminal behavior, indicate how and select: Protective

Attitudes/Behaviours

93. Consequential thinking demonstrated during in the most recent 6 months regardless of setting

- ☐ Demonstrates behavior to obtain positive and avoid negative consequences
- ☐ Can identify specific consequences of his/her behavior
- ☐ Behaviors/verbalizations demonstrate connection not yet made between specific actions and consequences
- ☐ Cannot cognitively connect behavior to consequence, due to some impairment

94. Social perspective taking

- ☐ Accepts other points of view without necessarily agreeing
- ☐ Tries to understand other points of view
- ☐ Can recognize there are two sides to situations
- ☐ Unwilling/difficulty understanding there are other points of view

95. Impulse control demonstrated during in the most recent 6 months regardless of setting

- ☐ Usually uses self-control skills to avoid negative behavior
